## From the Presidential Kennel:

Another Tracking Test goes into the record books--kudos to Lynn and Luane for a job very well done! As far as I know, this is the first time that we've actually had a club member competing, and all of us back at "base camp" were really shooting for Luane and Jiffy. Maybe next year we'll have our first successful VST track.

The workshop is our next big endeavor, and since it coincides with our annual membership meeting, I'm sure that we'll have a great turn out of members. Let Karleen or Noreen know if you're willing to help them out during the day. Agility is also coming up, and I know that Michael and Marion will be looking for lots of helpers---the very cool thing about Agility is that you get to watch a very entertaining event while earning those training discounts. Don't be shy----give Michael and Marion a call or e-mail.

We've got lots of events coming up in the next couple of months and lots of opportunities to volunteer and/or participate, and here's a list of the major ones:

June 4: AOCNC Interclub Competition---See Luane Vidak

June 25: MBDTTC Workshop---See Karleen Quick & Noreen Silva

July 18: Agility---See Marion & Michael Bashista

August 7: Obedience Trial---See Dale Root & Tammy Del Conte

## VST Test 2005.....Luane Vidak

Our VST test...number 3...went off without a hitch...beautiful weather, good judges, great tracklayers and a wonderful backup team and firm support from SCUMB. Again, none of our dogs earned a PASS but we get closer each time. All the dogs, with a bit of help, were able to get the job done...finding their articles and completing the tracks. The Golden made it up to the last leg, before help was needed. The majority of the entered dogs were local to the area, but we had a Siberian that came all the way from Arizona.

Our list of workers for VST 05 were:

**Sec/Chm:** Lynn Schmitt

**Coordinator:** Luane Vidak

**Judges:** Dan Lawer & Ralph Swingle

## IF I DID NOT HAVE DOGS.....

1. If I Did Not Have Dogs I could walk around the yard barefoot in safety.
2. My house could be carpeted instead of tiled and laminated.
3. All flat surfaces, clothing, furniture, and cars would be free of Dog hair.
4. When the doorbell rings, it wouldn't sound like the NCDL kennels.
5. When the doorbell rings, I could get to the door without wading through dog bodies who beat me there.
6. I could sit on the couch the way I wanted, without taking into consideration how much space several fur bodies would need to get comfortable.
7. I would not have strange presents under my Christmas tree – like dog bones, stuffed animals or have to answer to people why I wrap them.
8. I would not be on a first name basis with three vets.
9. The most used words in my vocabulary would not be: "out", "sit", "down", "come", "no", "stay", and "leave him/her/it ALONE".
10. My house would not be cordoned off into zones with baby gates or barriers.
11. My pockets would not contain things like poo bags, dog treats and an extra leash.
12. I would no longer have to spell the words B-A-L-L or C-O-O-K-I-E or W-A-L-K.
13. I would not have as many leaves INSIDE my house as outside.
14. I would not look strangely at people who think having their ONE dog ties them down too much.
15. I'd look forward to Spring and the melting of the snow instead of dreading "mud season".
16. I would not have to answer the question "Why do you have so many dogs?" from people who will never have the joy in their life of knowing they are loved unconditionally by something as close to angel as they will ever get.
17. How empty my life would be...
