President's Waggin' Tale:

I hope you all had a terrific Christmas and New Year's with all that entails. Family, holiday spirit, food, sharing, etc. All of the above were to be had at the delightful Christmas Awards Dinner.

It was wonderful to see the slide show Pam and Dale put together--especially the slides of all the old dogs who won awards over the years. I got a chance to see Chelsea, Breeze, and Cody in the historical photos. What a grand opportunity not only to see them but to share their accomplishments with all those in attendance. We were able to see slides of not only our dogs but of dogs who had special meaning to many people in the room as well as people who were not able to join us.

We also had some lovely centerpieces crafted by the talented Karleen Quick which were then given to those people "sitting on the snowflake". If you weren't there and are curious, you will just have to ask someone who was there and then plan to join us next year.

We have now completed our Intersession. Brenda Shepard put together a very nice agility training program. There weren't a lot of people attending, but they each got a training opportunity with one of three trainers (at beginning, intermediate, or advanced levels). Thanks, too, to Jan Peterson, Gayl Dalmau, and Pam Fugitt-Hetrick who served as our trainers. Thanks also to those who helped with setup, cleanup, refreshments, and all the other jobs needed to put this event on.

I hope to see many of you when the new year begins. Happy 2006!!!!

Associated Obedience Clubs of Northern California.....Luane Vidak

The Board of Directors of AOCNC wishes our Association members a very happy holiday season.

The Association has been a unifying source to the specialty Obedience Clubs of Northern California. Our Association dates back to 1951...and is composed only of licensed/member AKC Obedience clubs in Northern California.

Members that represent our group meet quarterly, in or around the Bay Area during the months of January, April, July, And October. We use these meetings to share information pertinent to the Fancy, to familiarize ourselves with the various activities the clubs offer, to have an opportunity to get to know each other and to become friends. To be sure that everyone is able to keep abreast, all Association members receive agendas, minutes and event fliers sent both to the club address and to the representatives.

The Association is a non-profit organization that works to further the work of the member clubs. We do this in a variety of ways.

Each year the Association sponsors two obedience events which are hosted by the member clubs. The annual all breed Obedience Workshop in February is our major fund raiser for the year and requires considerable planning and work. The Interclub Competition is held in June. Recently Interclub has been expanded to include Rally Competition, a CGC test, and a pre-novice class for our starter dogs. We encourage your trainees to participate in Interclub so they can start off in Obedience with the support of their friends. Winners of the club competitions are awarded perpetual plaques and the individuals making up the teams are given Rosettes. We have included a General Pot Luck at the end of the event in order to further camaraderie.

We support the work of the individual clubs in other ways as well. Clubs are acknowledged for their long term contributions to the Fancy with certificates for special trial anniversaries or founding years. We award Appreciation Awards to individuals who have worked long and hard for the Association. Recipients have been Don and Jane Norton, Gerry Glanz, Ron and Lynn Cole, Melba and Earl Sheid. Yearly we hold a Presidents' Appreciation luncheon inviting all the presidents of the clubs to be our special guests.

The Association has offered a \$500 scholarship for an Obedience Junior exhibitor in conjunction with scholarships offered at the SunMaid KC. Last year it was offered in the names of deceased judges Charles Cobb and Jim TenEyck. This year it will be offered in the memory of Judge Keith Coyne. A High Combined Challenge Trophy is currently being offered by AOCNC in memory of Judge Julius Hidassy at the Puli Specialties.

To further promote our Association clubs, each year a full page ad is purchased in the Golden Gate KC catalogue. All clubs are listed along with a contact number. At our Education Table during the two days of GGKC, educational materials are offered to the public. Included in the materials we pass out is an AOCNC information sheet which the public may use as a reference in locating any one of our clubs. For the past several years, all of our clubs have been invited to provide ½ page fliers which are made available to the public giving specific information about your club. Clubs are asked to deliver their fliers at the January meeting.

We also prepare an ad listing all the clubs of the AOCNC for publication in the Mt. Diablo DTC Dog Show/Trial Calendar. We thank member Mt. Diablo DTC for this courtesy.

Member Directory Update

Lynn Schmitt's corrected phone number is
831-688-8283

Calendar for March final class dates are incorrect. Please see page 1 of Ruff Notes for corrected dates!

AOCNC Continued from page 5

This year we are proud to present a Seminar dealing with Aggressive Dogs. These seminars are presented for the trainers of our member clubs and not open to the public. We do this in hopes that our AOCNC trainers will be better equipped to deal with this type of dog. The Association is paying for the speaker, Mt Diablo DTC is providing the space, attendees are asked only to contribute toward lunch and refreshment costs.

Our latest effort to promote our member clubs is the inauguration of the AOCNC web site (**AOCNC.org**) which connects all interested parties to your club's mailing address and website as well as to the Association and its events. Tom Doud, a Napa Valley DTC member, is acting as the webmaster.

As you can see, AOCNC is a very productive group...All of us interested in Obedience benefit from the work that you and our club are willing to undertake. So thank you for whatever help, however small, you have been able to give in the past.....and hopefully together we can continue to accomplish a great deal for the sport we enjoy.

The following slate of officers and directors will head up your organization during 2006.

Luane Vidak President, Monterey Bay DTC
Barbara Tonelli VP, Vallejo DTC
Ann Ghorso Sec, San Mateo DTC
Gerry Glanz Treas, Napa Valley DTC
Wendy Frier, Dir of Educ, Deep Peninsula DTC
Marianne Brannon Dir of Wkshp, San Francisco DTC
Katie Van der Sandt, Dir of Obed Interclub Mt. Diablo DTC
Loretta Delinger Dir of Rally/CGC Interclub, Mt. Diablo DTC
Cathy Dutra Director of Seminars, Fremont DTC
Noelle Pilat Director of SI, Oakland DTC

We are looking forward to our first quarterly meeting of the new year. It will be hosted by Vallejo DTC on January 5, 2006. If you'd like to come.... you'd be very welcome.

Intersession Agility Workshop

Brenda Shepard

There were not a lot of participants for Intersession, but those of us that did attend had a lot of fun! It gave many of us a chance to learn quite a bit. We had 3 wonderful trainers, in which I would like to thank very much. Jan Peterson and Crissy Hasting-Baugh whom taught the advanced class, Pam Hetrick whom taught our intermediate level and Gayl Dalmau whom taught the beginning level. Refreshments were taken care of by Marlene Majewska, Karleen Quick and Betty Garcia. The following were my setup, take down and clean up crew: Robert and Logan Shepard, Crissy Hastings-Baugh, Jaime Hernandez, Linda Lang, Cheryl Dalton. Also Richard Lang put the ramp on the equipment container which was a big help. The Drivers who hauled the trailer to and from the Fairgrounds. To all of you on the scene and behind the scenes a BIG THANKS this would not of been possible without your help!
