About us

- Since 1966 whether for basic obedience or competition, Members of the Monterey Bay Dog Training Club take pride in helping our community train their dogs.
- Monterey Bay Dog Training Club Members also support their Community by providing a variety of services and events that help create better Canine Good Citizenship. During disasters and emergencies we have donated masks and jackets for our canine workers. We support Canine Companions for Independence, Guide Dogs for the Blind, and the Morris Animal Foundation, a leader in animal research, and for almost 50 years we have provided a scholarship to the University of California Veterinary School of Medicine at Davis, California.
- You are cordially invited to call and learn more about the Club's classes, events and wide variety of activities our Members participate in with their dogs.
